DEDICATION

We dedicate this edition of the "Acropolis" to Miss Anne Fern, Girls' Athletic Director, in appreciation of the helping hand she has always so willingly given to the student body of Scotia High School.

IN MEMORY
OF
ROBERT ARTHUR BROOKS

"Shorty" was all that anyone could ever hope to be—a true gentleman, an outstanding athlete, and a friend to all.

When we, his fellow seniors, graduate this June, we shall be thinking of Bob as we go up to receive that roll of parchment.

The Class of 1948 held its annual Junior Promenade on the night of April 18, 1947. The gym was beautifully decorated in the class colors of yellow and two shades of green. Music was supplied by Freddie Gray's orchestra. The class of '48 was the first to elect a princess to preside over their prom.

Typewriter Types

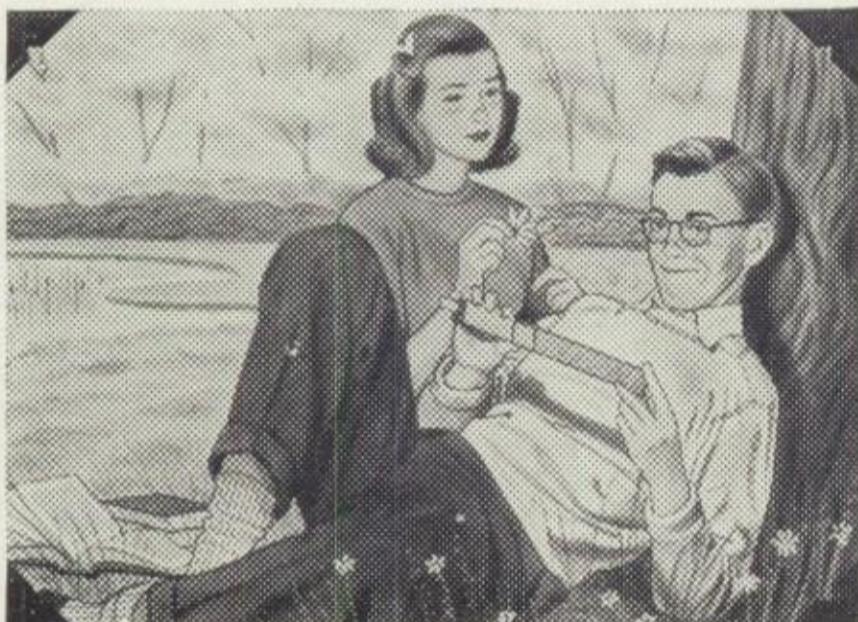

Man of Letters

Always winning major awards. Gets plenty of "A's" on English themes too. Question: How come a rugged he-man rates English "A's"? Answer: Could be his Royal Portable Typewriter. School tests reveal mistakes in grammar and spelling go down, marks definitely go up, when work is typed.

Career Gal

She's radio-minded! Her dream job? Writing dazzling scripts someday for a big-time radio show. Has a good start toward it, too, because she uses a Royal Portable now. It's the portable with features of a standard typewriter. Makes shifting to office machines a cinch.

Wiz.

Strictly a scientist. Would never do "math" without a slide rule—or themes without his Royal Portable. Royal's special features, such as easy-setting "Magic" Margin, "Touch Control," and Finger Flow Keyboard help do faster, better typing. P. S. This brainy gent makes spending-money typing work for others, too.

You?

Pass the word to your parents about your Royal Portable. Mention how owning a Royal can help improve your marks now . . . better your job chances later, too. Royal's easy Self-Teacher makes touch-typing easy. So get a Royal—first in sturdiness, and in work-saving features. See your Royal dealer today.
